

Intern Business Development (f/m/d)

Together we change city travel.

Turbopass offers tourist city passes to travelers from all over the world. Our City Passes include the most important sights and experiences of the respective city as well as transfers and local transport products. Our customers receive an online bookable, personalized travel experience at attractive prices. We are currently active in 12 cities. We have ambitious international growth plans for the future. If you want to join us in shaping this growth, have fun and learn something in the process, then you've come to the right place.

For our main location in Bielefeld, we are looking for you as a **Business Development Intern (f/m/d)**.

Your tasks:

- Conduct market, customer and competitive analysis.
- Supporting the Turbopass team in the expansion of the City Pass portfolio.
- Supporting the Turbopass team in online marketing activities.
- Supporting the Turbopass team in customer service.
- Supporting the Turbopass team in business development projects.

What we expect:

- You are studying business administration, economics, computer science or a comparable degree and are at least in your third semester.
- You are interested in eCommerce and digital platform companies.
- You have a good command of Microsoft Office.
- You have strong analytical skills and are a team player.
- Your way of working is independent and result-oriented.
- You have very good German and English skills. If you speak other languages, we would appreciate that.

What we offer:

- An exciting role in a fast-growing eCommerce start-up.
- A flat hierarchy and great development opportunities.
- A modern office with free drinks and regular team events.
- Flexible working hours that you can help shape according to your needs.
- The possibility to work regularly in a home office.
- A dedicated team that is constantly learning and having fun at work.
- The opportunity to use our products free of charge.

Curious about it?

Then we look forward to receiving your complete application by email to: jobs@turbopass.com
